

2019 LOWER EXTREMITY IEP

Fellows, Residents
and Young
Surgeons' Course

May 03-05, 2019

Denver, CO | History Colorado Center

Course Overview

This course has been developed specifically to educate Lower Extremity Fellows, Residents and Young Surgeons on current topics pertaining to the practice of their surgery, as well as to assist them with the transition from fellow to practicing surgeon. The format for this course is highly interactive - all sessions will conclude with question/answer sessions and panel discussions. Attendees will also participate in didactic sessions with medical device course sponsors.
